Subject: RE: ACTION DUE to STACEY - COB 9/29 - Request for Materials for GC Trip to R8/Denver

In March, I worked on a couple discrete matters out of Region 8. Specifically, I reviewed the statutes & EOs section of the Utah Regional Haze rule and I advised on **Ex. 5 - Attorney Client** the Region 8 U&O FIP. I haven't been involved in either of those two matters past March, so I'm not sure where they stand. In any event, I don't have any of the materials Stacey is requesting.

Not sure that was helpful, but I thought I'd let you know.

Thanks,

Noelle Green

I can't think of anything in response to this request.

Please let me know – either way – whether or not you are working (or know of anything) that would be appropriate to include.

Thanks.

Andy

Please see requests below – both for R8 (due 9/29) and for R7 (likely due 10/7).

We can set up a document through the Reg Review One Drive, or you can send me your submissions and I can compile into a single CCILO document – let's check in on process during our Mngmt Weekly.

Thanks,

Karin

Subject: Request for Materials for GC Trip to R8/Denver

Good afternoon!

Many thanks to all for your help with preparing materials for Avi's R10 trip. Your assistance was enormously helpful and Avi reported that his meetings went very well. Building from the great materials that you shared with me for his last trip, I am now requesting any updates and additions that you may have for his next trip to R8/Denver.

From October 5-7, Avi will participate in the following events:

- (1) A R8 office visit;
- (2) A panel at the ABA SEER Fall Conference regarding the Clean Power Plan, alongside Christina Gomez (Holland & Hart), Elbert Lin (Solicitor General, WV), and Vickie Patton (General Counsel, EDF) (I will follow-up separately with ARLO);
- (3) A meeting hosted by the American College of Environmental Lawyers with the local private bar; and
- (4) A meeting with environmental group litigation managers from NRDC, Sierra Club, EDF and Earth Justice.

In anticipation of that trip, I am seeking the following materials:

- Any updates to materials shared for R3 and R10 trips (i.e. any developments since Sept. 12);
- Any news, TPs, or case studies concerning R8/Denver, including TPs and fact sheets for issues that are current priorities for the region which should be mentioned during the events above;
- Any updates or TPs concerning recent developments in our tribal work;
- Any kudos for R8 ORC staff and/or anything else regarding your work with R8 ORC that you would like to bring to Avi's attention prior to his visit.

Please share any of these materials by COB on Thursday, September 29th. Also, please let me know if you plan to attend the SEER Conference for coordination purposes.

As a brief heads-up, Avi will visit Region 7/Kansas City, MO from October 13th – 14th. I will reach out to this group later this month for those materials, but wanted to flag the trip for your awareness.

Many thanks!

Stacey
